DETAILED ACTION

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance:

After a careful review of applicant's arguments/remarks submitted on September 8, 2009. The examiner of record agrees with applicant's comments and concluded that claims 34-53 are allowable over the prior art in view of appellant's arguments as disclosed on pages 7-11. Appellant has persuasively argued the issues summarize in the section title REMARKS on page 7. Conclusively, applicant's arguments overcome the rejections of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to JOHN F. RAMIREZ whose telephone number is (571)272-8685. The examiner can normally be reached on (Mon-Fri) 7:00 - 3:30 p.m.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Brian L. Casler can be reached on (571) 272-4956. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
